

Kurt Morf
Project Manager

Telephone: 952-232-0420
Email: kmorf@hrstinc.com

Kurt joined HRST in 2008. He manages, coordinates, and schedules engineering, refurbishment and hardware projects.

- ◆ **Major OEM for Gas Turbines HRSGs**—as project manager for 11 years, Kurt had commercial, financial and schedule responsibility for nearly 2 dozen projects with an investment volume of over \$400 mil. Among the 60 HRSG's were 27 for GE Frame 7F's and two of the first GE 7H systems installed in the USA.
- ◆ **Swiss Manufacturer of Food Processing Equipment and Systems**—engineering manager for 11 years.
- ◆ **Swiss Manufacturer of Medium and Small Steam Turbines**—as project engineer for 7 years, Kurt was responsible for the mechanical design of back pressure and extraction steam turbines for industrial users and small utilities.

 **EDUCATION**

Engineering School of Zurich, Switzerland

- ◇ BS in Mechanical Engineering
