

Scott Olson
Staff Designer

Telephone: 952-833-1427 ext. 13
Email: solson@hrstinc.com

Scott joined HRST in August of 2007 as part of the product sales and design team. Within this team, he provides consultation, design and documentation for retrofit projects relating to HRSG's.

- ◆ **Major OEM for Gas Turbines HRSGs**—eight years within this company, Scott's responsibilities included design of heat recovery systems using acquired knowledge, industry standards and the ASME boiler code. He worked with engineers' specifications, proposals and budgets as a guideline for seeing the design process through.

EDUCATION

Dunwoody College of Technology, Minneapolis MN

- ◇ Associate of Applied Science-Engineering, Drafting and Design—1999
