

Dennis G. Sjelin
Staff Designer

Telephone: 952-833-1427 ext. 40
Email: dsjelin@hrstinc.com

Denny joined HRST in July 2009 as part of the product sales and design team. Within this team, he provides consultation, design and documentation for retrofit projects relating to HRSG's. Denny also participates in research and development of new product and upgrades solutions for plant sites.

- ◆ **Major OEM for Gas Turbine HRSGs**—during the 16 years with this HRSG OEM, Denny progressed from a layout drafter to a senior staff designer of new HRSGs. He also provided their Project Management with field technical support during project sales and warranty repairs.
